### Vote YES on Prop 17

Proposition 17 restores the voting rights of those on parole

Nearly 50,000 Californians on parole pay taxes at the local, state, and federal levels. However, they are not able to vote at any level of government. This system operates as "taxation without representation," which is antithetical to the founding of this country.

### Vote NO on Prop 20

Proposition 20 rolls back the advancements of Prop's 47, 57, and AB109

The ballot initiative was designed to make changes to [AB 109](#) (2011), [Proposition 47](#) (2014), and [Proposition 57](#) (2016)—three measures that were each intended to reduce the state's prison inmate population.

Have your loved ones VOTE-

## NO on Prop 20

The ballot initiative would make specific types of theft and fraud crimes, including firearm theft, vehicle theft, and unlawful use of a credit card, chargeable as misdemeanors or felonies, rather than misdemeanors. Essentially this would make things harder for those incarcerated.
