I have a sister that refuses to forgive me for crimes I done when I was under the influence of alcohol - The crime happened in 1990 - almost a life time ago.

I do understand her anger & fear. Two of my sisters love me unconditionally - As we get older we think differently and treat other unselfishly especially family. Isn't that what growing up is -

I do wonder if she'll ever write, but if she don't I wish her the best that life can provide for her. There's no reason to process ill feelings toward her - she's never done anything offensive toward me. I guess what I'm trying to say - I's don't waste time love your siblings one day we'll all be gone.
