"Throughout Europe, the PRIVILEGED CLASSES LOOKED TO HITLER'S NAZIS as THEIR SAVIORS; but even BEFORE the Nazis violated Austrian and Polish borders PRIVILEGED CLASSES had REPLACED the REPUBLICAN CONSTITUTIONS, ESTABLISHED DICTATORSHIPS, and SUPPRESSED POPULAR PROTEST..."

(Arms and Empire, p.124)

This particular piece is directed at those individuals who've bothered to direct certain critical remarks towards some of my expressions, which, of course, I am ever open to. I hope these remarks operate to clarify matters and perhaps contribute towards evolving folks political and historical understanding, as indeed I accept growth or illumination with regards to those areas in which my eyes may be open...

So matters are quite clear, I appreciate peoples desire to "educate" me as regards important historical issues relative to especially that genocidal monstrosity known as "Nazi Germany." yet, most of what has been suggested reaps with profound **condescension** since it arrogantly assumes that I am somehow not familiar with "history books" concerning Nazi Germany, which was stated to me via a reader and replier to my work--"FEARFUL." The fact is, I am well-read and quite knowledgeable of the horrific and destructive acts committed via Hitler's racist-fascist machine and definitely condemn these criminal atrocities.

Also, nor does the piece in question hardly implies that Nazi Germany was not highly inhumane and politically authoritarian. The basic and inexorable point I emphasized, which some folks seem to conveniently ignore so as to protect the "myth" of their "Great Amerika"--i.e., to swim in Hollywood's LIES-IMAGES of the "special" essence of the United States--is that, each of

these politico-social entities or polites have one enduring quality in common: **WHITE MALE SUPREMACY**. The "Founding Fathers" of Amerika, were no less immersed in and motivated by White Supremacy, than were Nazi Germany's "Founding Fathers."

When I was a young "puppy," I remember vividly consuming and being bombard-
ed by images from "Western movies," where, of course, typically the white male
"saviors" rode in as Union Soldiers carrying in display that iniquitous rag
"Old Glory," to either build or protect a fort imposed on Native folks home-
lands. John Wayne and other white men's images were prominent of these times of
Hollywood propaganda. The Union Army, protecting white business owners, bankers,
rail-road owners, mine owners, hunters of fur, buffalo, etc., ranchers, etc.,
etc., were **bringing** or **defending** "Christian civilization," just as Hitler's
Nazis professed.

This was actually about the oppressive and extermination policies and prac-
tices of the U.S. government directed against the Native "Indians." The aim of
the Union Army was to exercise domination and to remove them from their lands
onto "internment camps"--i.e., reservations = **Concentration Camps**--where
the descendants of those whom were "fortunate enough" to survive their many
"Trails of Tears" and outright genocidal campaigns waged against them, remain
in 2020, living under terrible conditions, in the main.

Yes, THOUSANDS PERISHED DURING THEIR FORCED REMOVALS AND SUFFERED EXTREMELY
HARSH CONDITIONS WHICH CAUSE MANY TO SUCCUMB TO STARVATION, DISEASES, THE COLD
OR HOT ELEMENTS, ETC. Due to this horrendous legacy of genocidal oppression to
this day, many Native Americans endure killing poverty, high rates of unemploy-
ment, lack of clean water and in some case no access to water at all, killing
alcoholism, diseases related to working in mining operations for much of nothing,
suicides, etc., etc. To my mind, reservations and indeed that of ghetto-hells,
where Black people were FORCED or ENGINEERED into via powerful economic and polit-
ical forces, in fact serve the same **GENOCIDAL FUNCTION** and **PURPOSE** that of Nazi
Germany's ghettos and concentration camps.

The evidence of this is most clear and observed via the inordinate and sustain-
ed high death rate of those residing in ghetto-hells across this country as
related to deprivation of healthcare, quality diets, homicides, diseases which
are the result of contaminated environments, lead-filled water systems, etc., etc.

"Under the Nazis, the German chemical company
IG Farben and Rockefeller's Standard Oil of
New Jersey were effectively a single firm,
merged in hundreds of cartel arrangements. IG
Farben was led, up until 1937, by the Warburg
family, Rockefeller's partner in banking and
in the design of Nazi Germany eugenics. Following
the German invasion of Poland in 1939, Standard

Oil pledged to keep the merger with IG Farben going even if the US entered the war."

-Anton Chaitkin
(Rockefeller, Nazis, the UN and Genocide)

As it wasn't any accident or mere coincidence that **Jewish, Gypsies** and other people were **herded** into "ghetto-hells" in Hitler's Germany, so too, it isn't accidental or a mere coincidence that so-called "African-Americans"--i.e., New Afrikans--were **herded** into ghetto-hells across the United States to be intensely exploited and violently dominated. Yes, "history books" are replete with facts showing the true nature and repressive operation of these ghettos.

These "death-traps" are **genocidal** in their targeted impact as confirmed via every socio-economic index as to the quite disturbing and consistent pattern of **killings/poverty**, lack of quality healthcare, homelessness, disproportionate unemployment, diseases related to non-nutritional "foods," domestic and gang violence-homicides related to poverty-hopelessness, suicidal escapes via drugs, alcoholism, etc., etc. The same applies to Native peoples on an even more disproportionate level. So yes, I am very "educated" as to the horrific crimes committed by Nazi Germany and am aware of its fascist nature, just as I am aware of the **MILLIONS** of Black-Afrikan people or Ethiopians who were **slaughtered** and forced onto concentration camps **PRIOR** to that which occurred as regards the Jews and other people exterminated by Hitler & Company.

However, unlike some of my "critics" out there, I AM ALSO DEEPLY AWARE OF THE GENOCIDAL ACTS OF THE UNITED STATES COMMITTED IN THE PAST AND WHICH ARE BEING COMMITTED IN . . . 2020!

" I CAN'T BREATHE!"

As true history informs us, the United States actually stood-by for some-time before it decided to enter World War II upon being itself attacked, but prior to that, the fact that Hitler's Nazi Germany was committing genocide was of no real concern to Amerika's rulers since the war between Hitler & Company and that of France and Britian, actually served its geo-political and strategic interests as far as watching colonial powers be destroyed in order for this country to replace them, just as has been done.

"Most people feel that MASS KILLINGS is only carried out through the use of weapons of mass

destruction. However, many more people have been KILLED by the SUPERPOWER COUNTRIES through carrying out SOCIAL POLICIES that are INJURIOUS TO THOUSANDS or MILLIONS of people. Some researchers, such as Webster G. Tarpley have discovered CONNECTIONS between the writings and philosophy of Rev. Thomas Robert Malthus and the actions of Western governments. Malthus wrote about the danger of overpopulation and how that would pose a threat to the RULING CLASS, the OLIGARCHY of the British Empire..."

(The Collapse of Civilization, p.77)

In truth, it was the Western-White "democracies" of France, Britain, Canada, the United States, etc., which were dominating and exploiting --via genocidal policies--Native peoples in Asia, Afrika and the Americas, prior to the rise of Hitler, Mussolini, Franco and Tojo. World War II, was actually a conflict induced and motivated by colonial calculations, i.e., the Capitalist-fascist regimes sought to reconfigure the geo-political chessboard so as to be in a position to themselves prosper from colonial domination as the "democracies" had been doing for hundreds of years, but refused to let them in on the "feast."

Of course, no "democracy" was extended and nor practiced when it came to the COLONIZED people of Afrika, the Americas and Asia. Remember the "Strange Fruit" of the Old Jim Crow? Thus, this total farce of "democracy" really involved a method of operation which allowed and allows for ruling class wealthy white men, to have the "freedom" to exploit and dominate their internal working classes as well as their colonial holdings. Yes, in the final analysis the "democratic" vote, is nothing more than a charade and ruse, since it creates the subjective conditioning as required for the "cover of legitimacy."

Whether White Male Supremacy manifest in the form of a fascist or democratic form it remains nonetheless quite oppressive and destructive for those peoples whom suffer from its exploitative policies rooted in calculations of total domination. Naturally, White Supremacy and Imperialism effectively cancels out any serious notion or practice with regards to "democracy." Imperialism and White Supremacy are the greatest purveyors of genocidal destruction. Nazi Germany is no more, but the destructive policies and measures of the United States', which continues to negatively impact especially PEOPLE OF COLOR, remains in full effect, in 2020!

Liberate your minds of the oppressors' historical narratives...

"In fact Hitler based his genocidal methods on the study of the U.S. treatment of Native Americans. See, John Toland, Adolf Hitler (New York: Doubleday, 1976), p. 702. ('Hitler's concept of concentration camps as well as the practicability of genocide owed much, so he claimed, to his studies of English and United States history.'...)"

(Panther Vision, p. 402)

Finally, as far as those out there whom take issue with what I stress and maintain with regards to my work "Fearful," I am really not in need of any "prayers," only sincere accomplices against the MONSTER that is . . . AmeriKKKa!
