To Vessalk,

Wow, thanks for your comment,
incredible for a fellow gay person
of color to speak on the ignorance
and unintelligence of our STRAIGHT
bully Brothers, that is really valuable,
and today was a great day after
reading your comment. Check out
YouTube/Daniel Rainey the song titled
One Day by Parallexboi.

Before the fall, I wanted to record this
song, so I layed down this tracer
track just to get an idea about
a direction, so when Bullies come
out, I flow this song to myself in
my head, so now I share it with
you, put your headphones on, and
enjoy.

Thanks Again.
