

"Before and After"

Before:

After:

"Get well, soon."

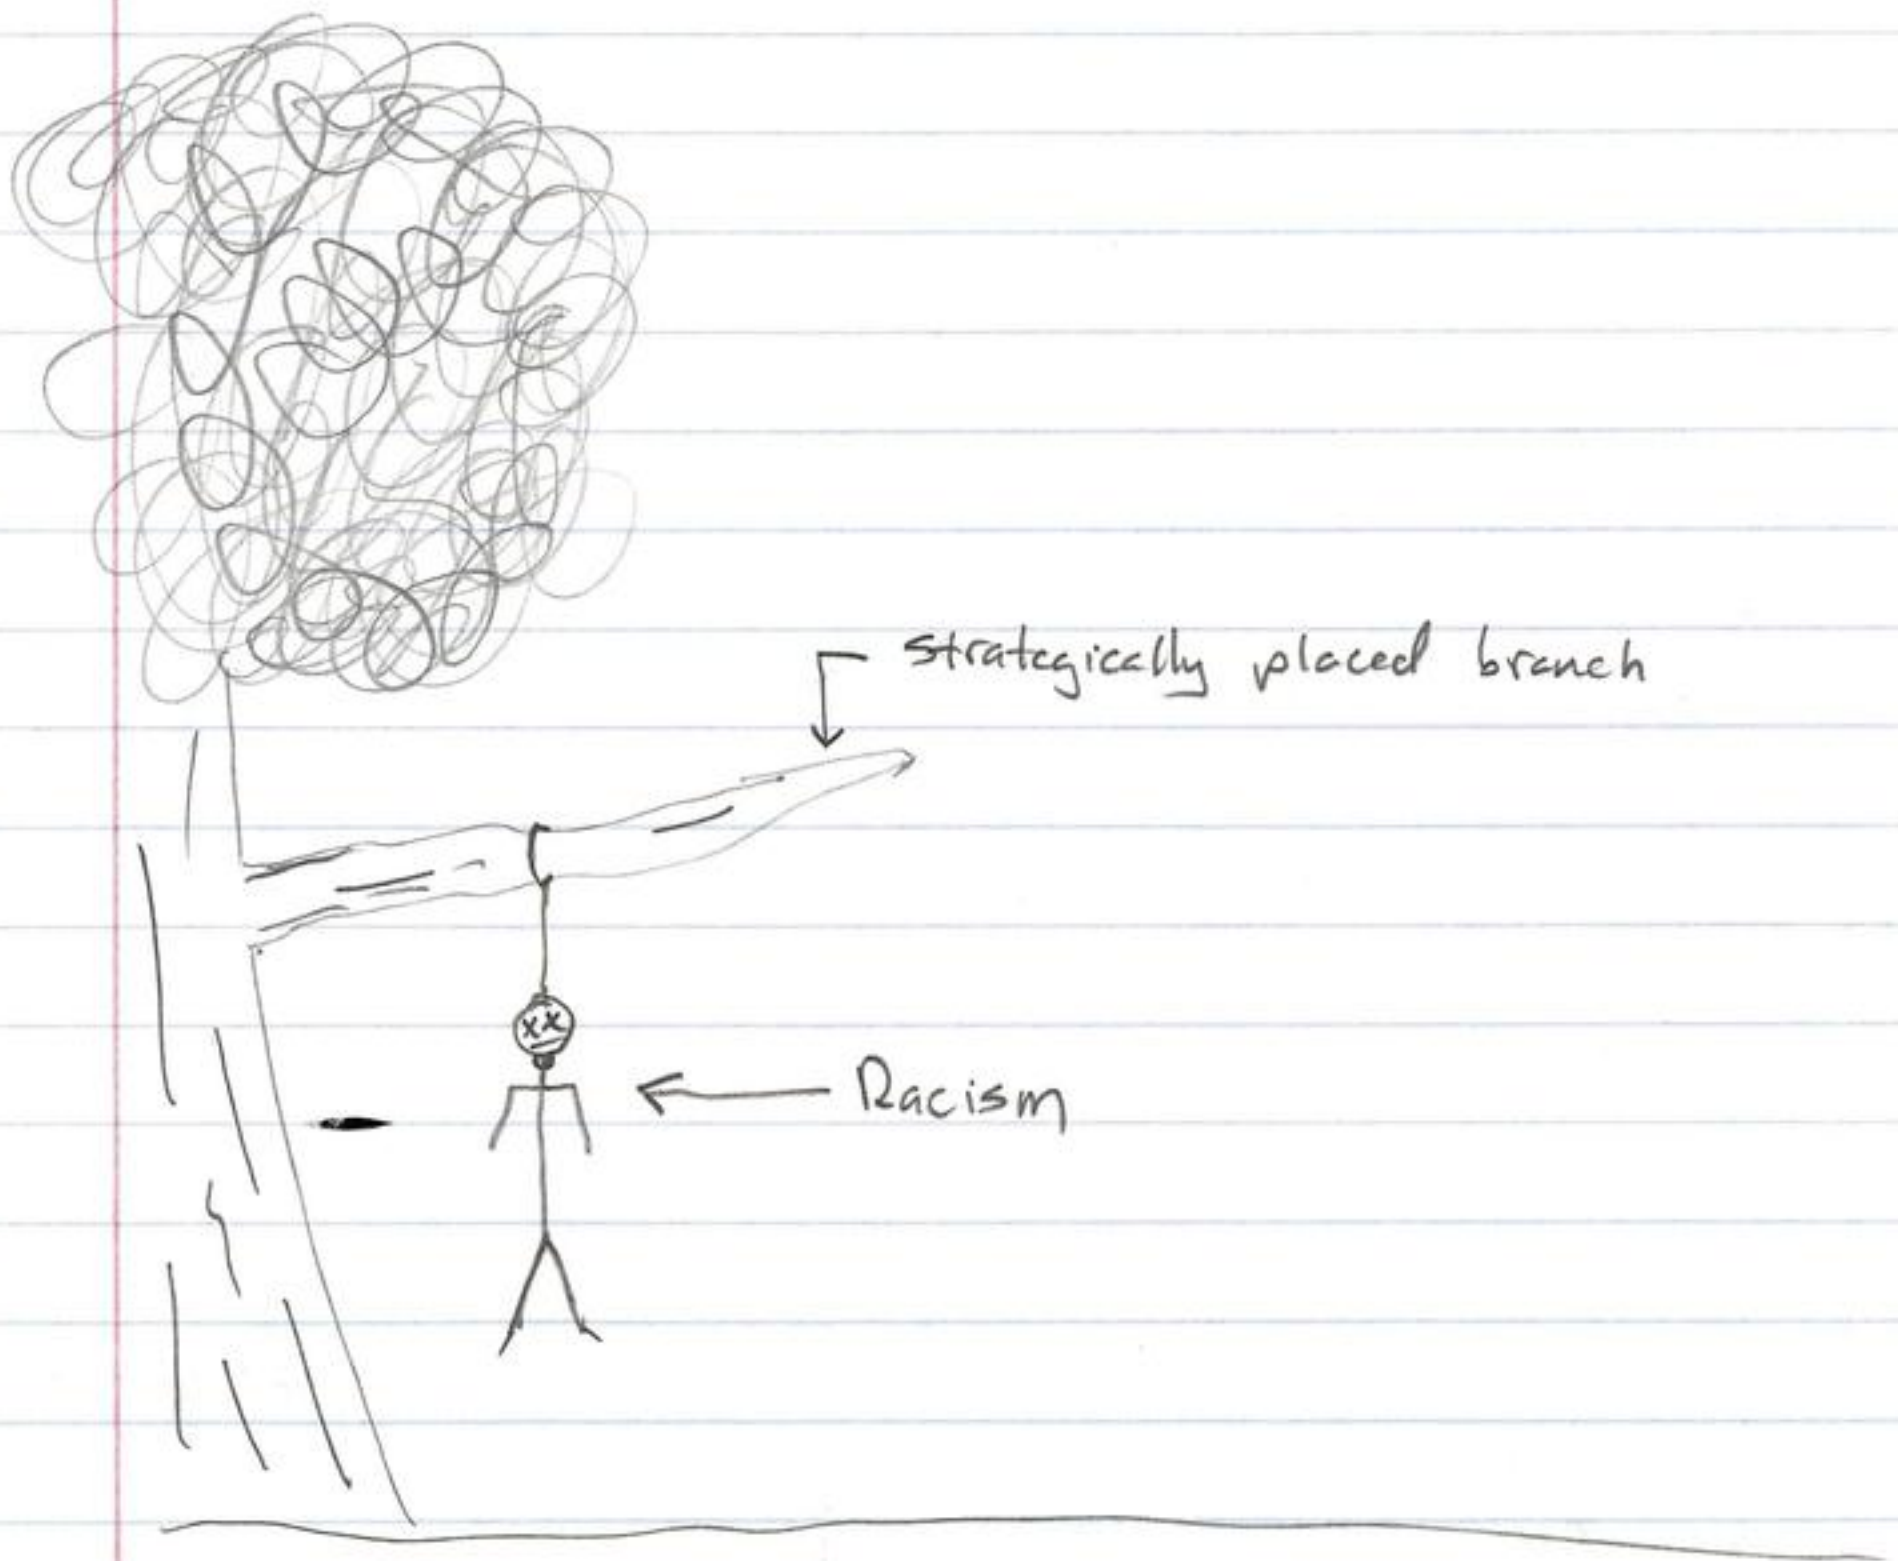

"Feel better."
(emph. added)

"Police are invest-
igating"

"An investigation
is underway"

Let's lynch racism!

(Anybody who objects to me using the word "lynch" doesn't really want to end racism.)

9.21.20

"It's personal"? It's pathetic, is what
it is.
