

Dear L,

You know I intentionally put Abba on shuffle on C3PO just to respond to you, right? 😊 "Mamma Mia" is such a fun, sweet song. Don't you think?

As for gaining weight, most people said I was "too skinny," so it's OK for me to gain a few pounds. It's just so shocking to me 'cause it's always been so hard for me to gain weight. However, I am not liking the slight pooch to my belly + I need to get rid of it.

Now as "Dancing Queen" goes off and "S.O.S." comes on, I must say I am SHOCKED and APPALLED that you dared to "dis" Abba like that! "Inflicted on us"?? WTF?

Abba is great - period. And I recall writing "Don't judge" very clearly. For shame!

I have seen "Miriel's Wedding" and I loved it. May I recommend to you the movie, "Priscilla, Queen of the Desert." There's one line in there you'd like: "No more fucking Abba!"

May I ask how you came across this website? It amazes me that someone from the UK came across it. I'm a bit of an Anglophile and enjoy reading about your country's history.

Thank you so much for your comments! I really

enjoyed having fun with them & I was very glad to hear from you.

This quote isn't probably entirely accurate, but, "My life's as good as an Abba song. It's as good as 'Dancing Queen.'" - "Muriel's Wedding"

I hope to hear from you again!

Keep Dancing!
