

Trump and first lady has Cov-19

I am reminded of what proverbs 12:15 says The way of a fool seems right to him but a wise man listens to advice. When you can take correction or advice from ~~nobody~~. nobody. You end up self destruct. Do I feel bad for him and first lady. Absolutely not because CDC gave instruction but they refuse to follow the guidelines. Donald Trump feels like he is invisible and untouchable because of who he is. He hates correction look how rude he was during the debate. Really Joe couldn't get a word in before he was ~~so~~ disruptive. We couldn't fully hear or get the full gest of Joe Biden. ~~what~~ what ~~good~~ Joe is going to do for our nation. I am glad the Debate association ~~is~~ ~~done~~ dis classing some of the rules. I personally would have turn the microphone on Trump and had him escorted out of the Debate. Because your in somebody else house. where is your respect. The bible says whours loves discipline loves knowledge but he who hates correction is stupid proverbs 12:1. you see fools ignore instruction proverbs 10:8 The wise in heart accept commands but a chattering fool comes to ruin. So this why he never be quiet. There always drama with Donald Trump. As far the voters who said they voting for Trump because Jesus is present. let not become wise in our eyes. But be truly lead of the Holy spirit. What man of God constantly leading others astray? He are in the flesh. No God is operating in them. proverbs 10:17 He who feeds discipline shows the way of life but who ever ignores correction leads other astray. Come to the rally without

face mask, etc. you will be ok. We all going to seek. Oh it's
already to have a little party in these communities. The whole
situation reminded about Noah Ark. The flood. Noah got right
to work when God told him ~~the~~ to build the ark. CDC got to
work with Cov-19 warned people about what they needed
to do to protect themselves. Noah - Other people must have
been learned about the coming disaster but apparently they
did not expect it to happen. CDC warned the people in
America and even ~~warned~~ in other countries aware of the guidelines
but apparently certain people think cov-19 cannot ~~touch~~ them. I say
judgment is already here on earth. Everything we do or say. God
say this odds that or get off that wrong path your own. But Noah
ark story Shows today things haven't changed much; Each day
thousands of people are warned of God's inevitable judgment, yet
most of them don't really believe it will happen. Don't expect people
those who don't believe God will deny his judgment on sin.
you to deny God as well, But remember God's promise to Noah is
keep him safe. This can inspire you to trust God for deliverance
in judgment that is sure to come. The question I want to the
American people to think about is Will the storm change
Donald Trump either ways? Are will it make him even worst. Do
you really want to vote for someone who lead you astray
down the wrong road? If our President Donald Trump
don't change he is going to spiral out of control. Uncontrolled
prole leads to self destructive when you become to ~~extreme~~
extremely proudful. When you don't get what you want.
that affect your insanity. Have you seen a relationship

When the other significant others not interest me more. How that one neglected. how they react. Some loose their insanity because they can't get what they want. What if Donald Trump loose the election? How would it effect his insanity. Because in his mind he will get what he wants. That why he goes far as to manipulate, cheat, lie and cause drama. Pay attention to the move.

I want to say I admire the ones who sent encouraging words to them while they are sick. He has been a enemy to a lot of you said ~~mean~~ and done mean things to you and your country. you have forgiven him God is going to bless you for your kind act.
