

I send my condolences to the Supreme Court Justice Ruth Binstburg family, NFL player James White, Bills coach Pat Shurmur, COVID-19 patients family who lost their loved ones, Nurses, doctors, ~~firefighters~~, firefighters who lost their lives being out on the front line to save lives. Teachers who went out to teach our children but lost their lives to COVID-19. My condolences goes out to the family.

To Ciissy and John Legend I love you guys. Ciissy I have had two miscarriages I know what you are feeling as a mother. Don't let nobody tell you how long to grieve and how to. Some take longer to grieve than others. Myself had two miscarriages and lost a 4 1/2 month old son. Last year after 23 years I was broke on the inside. I love you all.
