

White Supremist, Antifa, hate group

I just wish the hate would stop as well as the violence.

Let's trade hate and violence for love. It is so much easier to love others in spite of their race, religion, political belief ~~belief~~ or because they are different. Adults agree to disagree, and still be alright. Even Jesus loved us a sinner. He didn't hate us or cast us out or kill us but however he did hate sin because he knew what the repercussion of our bad choices that lead us down a road of destruction. Proverbs 10:12 Hatred stirs up dissension but love covers all wrong. You see Jesus went to the cross for all the hatred, racism and violence. He covered all our sins when died on the cross, Rose on the third day with all power in his hand. You don't have to bear these evil feelings towards others. alone give them to the Lord let him help you.

Do you know by hating another person you may become a liar or fool. If you try to conceal your hatred, you end up lying. If you slander call racist ^{Comment} name, do violence or any evil act. ~~you are~~ ~~a fool~~ and are proven wrong. you are a fool. The only way out is admit your hateful feelings to God. Ask him to change your heart, to help ~~you~~ you love instead of hate. God Bless - you can change and your friends can change and your neighbors can change. There is a way out
