God thank U 4 Ur faithfulness n 4 keeping me from the hour of temptation that came 2 try me every day 4 the last month! Thank u 4 hearing my cries 2 respond as Jesus did, Lord knows I wanted 2 respond differently, fleshly! Thank u 4 sending several "angels" 2 b strategically positioned 2 listen 2 me vent n 2 b a compassionate listening ear. Thank u 4 sitting with me in the day room n seeing me through all the turbulence, as I didn't want 2 b in my room 4 the same reason. Seems there was no lesser of 2 evils. Thanks 4 the wisdom 2 write the unit manager(s) n beg 2 b relocated 4 my soul, spirit, n release dates sake!!! Thank u 4 sending people willing 2 switch with me! Thank u 4 the comforting dream I had of packing up peacefully, Lord knows I was tempted 2 refuse 2 lock in n just go 2 set 2 get out this room with these dudes! Second time I had the dream. Thank u it gave me courage n trust 2 hold on 4 2day,! Thanks the Sgt was receptive 2 my plight n listened without resistance. This gave me peace that u were on the case n moving on my behalf like u promised in Isaiah 45. Thanks 4 giving me that late in the midnight hour. I really needed that just 2 b calm enuff 2 relax enuff 2 go 2 sleep. Amen. Thank u that visions help me walk by faith.

Thank u 4 answering yes 2 this prayer 2 b moved, if I'm 2 stay on unit 4 4 ur will 2 b done let Thomasak or somebody switch rooms with me or with Jarrod. Amen.

Make away 4 me 2 continue the Convo with him. He seems receptive. Thank u 4 reminding me through him early release blessings still happening in ur kingdom. Amen

God I have an opportunity 2 get on the phone at 5:15pm.  
Who do I call?

God when I do move help me utter what I seen in the dream
