

(WHAT BETTER TIME THEN NOW)

(RED)

You know sometimes in life a person crosses our path unexpectedly, different then those before him yet a since of comfort seems to allow us to drop our shields, and give an opportunity to that unknown entity who stands in front of you seeking to earn a place in your life, mind, and heart.

You stole a piece of me in away no woman has ever done before, it wasn't plan yet it happen, and i like the person you are inside, and out. For the first time in my life i like a woman not for what she can do for me or how she looks but for who you are. Meaning that for so much of my life looks were the core of how i chose a woman, and now as a older man looks are only 30% of my choice, and that other 70% is about what you have on the inside because the inner beauty is something that stays the same throughout life while are bodies, and looks change as we get older. So to make a long story short i like the inner beauty you have more then your outter beauty.

Your beauty within is pure, and possess an aroma that has me wanting more, and i really want to get too know you as a woman. I want to get too know the real you, and what makes you cry, and what makes you smile. I'm a true believer that your outter beauty which you do possess is for me to lust over whereas your inner beauty gives me the opportunity to cherish, adore, and worship you as a woman with values, strength, morals, goals, and worth.

I truly want to learn, and love your mind completely with no strings attach other then you opening up to me. I want to cherish the good that you have stored inside you, and i want to be apart of your growth from the bad that has penetrated your fragile yet strong heart weather that bad was an old boyfriend who didn't treasure the beautiful person you are, and in someway striped you of your worth or just the insecurities you may think you have.

You may even think that these words are only being said because i'm locked up, however as a man who is confined i still have a free mind to like who i want, and i like you. So to think i'm just playing games with you is disrepectful not only to me as a man, but to you as a woman. Because what you are truly saying is that the only way a man would want you is to play games with your heart, which is false, and if that crosses your mind please don't ever think that about me because i respect you to much to even think that way about you.

I believe because i'm locked up it gives us a opportunity to get to know each other better, and form an emotional connection that would be unbreakable. I would be lying if i said it will all be ~~peaches~~ peaches, and cream because it won't. However what i can tell you is that i'll give you my best self, and i'll help build our trust, and foundation that we will use as our platform for our relationship, and all i ask from you in return is honesty, trust, and loyalty. (WELL MAYBE I'LL ASK FOR A KISS OR TWO EVERY ONCE IN A WHILE)(LOL) I can only promise you my honesty, loyalty, trust, and that i'll guide you as well as strengthen your mind when you believe your worthless.

I can promise to tell you every day how much you mean to me, and how beautiful ~~you~~ you are. That not a day will go pass that we're together will you believe anything other then to me your the treasure to which i will cherish as if you were the last woman on this earth.

From the day you accept me as your king, and you my queen your past will become just that --the past--, and everything, along with everyone who has hurt you will become just another part of your past that couldn't bring you down, and you'll see that the struggles you endured only made you a stronger woman.

I don't want to put everything in one massive so i drop the ink, and in doing so i hope that you will at least give me an opportunity to be apart of your past struggles, and your furture plans as well as growth. Never mistake your worth as worthless because there is no great king without an even greater queen by his side.....

I know that you are developing feeling for me, and i don't want you to feel as if you have to hide them ~~because~~ because your afraid of being hurt, and let down again. Because i have no intentions of ever hurting you, and even if you don't think so it is okay to be vulnerable because you have a man who will give you the tools, and jewels you need to overcome any such vulnerabilities you may have. (PLUS I FIND IT VERY SEXY WHEN A WOMAN IS VULNERABLE) because she is able to be her true self(unshielded).....

FOR NOW I SEND MY TRUE THOUGHTS  
TO YOU MY QUEEN IN HOPES THAT AT  
THE FINISH OF THIS LETTER YOU WILL  
CHOOSE ME AS YOUR KING.....
