To Pope Francis:

All done Mr. Francis has been denouncing the priest who has been violating the children sexually in the past. These were little boys that were violated in the Catholic faith. No priest is allowed a wife. Which I don't understand because God almighty create man and woman to be one in marriage.

There is and has been a lot of sexual immorality in the Catholic community or should I say congregation. Why is that? Paul says in I Corinthians 7:3-5 Sexual temptation are difficult to withstand because they appeal to the normal and natural desires that God has given us. Marriage provides God's way to satisfy these natural sexual desires and to strengthen the partners against temptation. Married couples have the responsibility to care for each other; therefore, husbands and wives should not withhold themselves sexually from one another, but should fulfilled each other's needs and desires. That is God's ~~remedy~~ remedy. Each person in a religion that wants you to be alone that is wrong. Our minds are not on the things of God all the time. So wrong thoughts can slip. Then we begin to entertain those wrong

Thoughts they become our ~~action~~ action. I love what Paul said in 1 Corinthians 10:13 Study notes I now culture filled with moral depravity and sin-inducing pressure - you was molest by a man it felt good, or you was molest by a woman. All you desire is the same ~~sex~~ sex. Are you went to prison or jail you was turn out by a man or woman so now your gay. All you desire is the same sex. Are you was on the road travel with your job - you tried it now you don't have a desire for the opposite ~~sex~~ sex. Are I was born this way I never had a desire for the opposite. I have a desire for my own gender. I know I should be with the opposite sex but I keep being confused with my body. I get turned on with my own gender. I love both women and men they give me orgasm out of this world especially three some, four some I like them young - get caught up into child pornography and human traffic. (Rationalization in the mind) This is our society Pope Francis today. But I like what Paul said (1.) wrong desires and temptations happens to everyone, so don't feel you've been singled out (2.) & those have resisted temptation, and so can you (3.) any temptation can be resisted ~~temptation~~ because God will help you resist it. God helps you resist temptation by helping you (1.) recognize those people and situations that give you trouble (2.) run from anything you know is wrong (3.) choose to do only what is right (4.) pray for God's help and (5.) seek friends who love God and can offer help when you are tempted. Running from a tempting situation is your first step on the way to victory. Some of these LGBTQ needs to not be in these marriages or any relationship as of this nature. Prison, ~~prison~~ jails and our communities they being rape, left for

dead beat almost to death, some has lost their life times lives, some infested with Aids dying, some married their partner for stability somebody showed them love for the first time, some struggle tremendously physically and mentally all they know is trauma and pain. A lot of them need to give up this lifestyle because the truth of the matter they are dying a slow death on the inside, you're not happy because you know its a better way for you in life you just got to find it. A lot of you prostituted in prison and jail sex for commissary or even in the street for money for drugs. There is a remedy LGTBQ Running away is sometime consider cowardly. But wise people realize that removing themselves physically from temptation of sin can be the most courageous action to take. Timothy, a young man, was warned to flee anything that produced evil thoughts. Do you have a recurring temptation that you find difficult to resist? Remove yourself physically from any situation that stimulates your desire to sin, knowing when and how to fight

To Pope Francis Paul use active and forceful verbs to describe the Christian life: flee, pursue, fight, take hold. Some think Christianity is a passive religion that advocates waiting for God to act. But we must have an active faith, training, working hard, sacrificing and doing what we know is right. It is time for action on your part? Christian service, like athletics, requires training and sacrifice. Our discipline and obedience largely define whether or not we will be contributors or merely spectators. How would others believers rank your contributing role

On Christ's tears? I have to openly rebuke you. I fully understand people that are adults feel that they can love whomever they choose to. But what I don't get is man of faith contradicting the Holy Bible and his beliefs. I have a problem with that because you are telling your congregation to be like the world it's ok not to obey God on certain things.

Judgment day will come when we have to be accountable for our deeds and how we lead people. I hear people who is doing wrong? often try to justify we are God's children. Is that true? Genesis 1:27 God made both ~~en~~ man and woman in his image. So God created man in his image of God, he created him, male and female. We are God creation - now everybody is God creation. But not everybody is a child of God. 1 John 3:7 Dear children, do not let anyone lead you astray. He who does what is ~~right~~ right is righteous just as he is righteous. He who does what is sinful is of the devil because the devil has been sinning from the beginning. The reason the Son of God appeared was to destroy the devil's work. No one who is born of God will continue to sin, because God's ~~see~~ seed remains in him he cannot go on sinning because he has been born of God. This is how we know who the children of God are, ~~that who~~ and who the children of the devil are ~~and~~ anyone who does not do what is right it's not a child of God, nor is anyone who does not love his brother. Final Thought Homosexual marriage - I am not condemn the LGBTQ community. Today, many homosexuals want to commit to ~~marry~~ "marry" with

The blessing of the church. Reasons for homosexual feelings and desires are complex and serious. Christians should not trivialize the situation OR flippantly condemn the homosexual person. But Jesus made God's ideal very plain! At creation he approved one kind of marriage bond, man to woman. They become one flesh - one before God. See Romans 1:24-27 for further discussion. Where does that leave homosexual marriage? at best, it is a human invention without any biblical precedent. God created man and woman. Heterosexual monogamy is God's plan for marriage - the best plan, the only one.
