Paulette (Mahogany)

First I want to thank you for your comment. I'm glad you like my writing. I merely write what I'm feeling and from my heart. I appreciate your kind and encouraging words. I do not mind at all if you share my writings on your social media pages.

I apologize if there was any delay in my response, I just got the comment today Nov. 23rd.

I was at Alto in 2009 and joined the author's club in 2010. I have <sup>as ebooks</sup> 5 books available on Amazon now. I write under Maisha Mahalia. I dabble in a bit of everything, but my favorite is Poetry.

I would like to hear from you. I have work on [www.wordsfromthepen.com](http://www.wordsfromthepen.com), I have an Instagram page - @cagedbutterfly. I'm working on getting my books formatted for paperback on Amazon but I'm limited as to what I can do. I have someone who helps, yet formatting takes a lot of time for someone who doesn't know how it works. I'm grateful she did them as ebooks.

These are the titles

Thoughts of a Caged Butterfly - Poetry

World of a Caged Butterfly - Poetry

Private Disclosures (w/ Bello Stacchini & the God) <sup>Cynere</sup> Poems

Natalia's First Christmas - Children's Story

Troubled Waters - Short Story
