MERRY CHRISTMAS AND A
HAPPY NEW YEAR!

My dear Brothers & Sisters;

GREETINGS! 2020-2021

I am hoping that this Vidio-Letter brings you all happiness and well---wishes no matter how difficult it may be.

I am very grateful to the brothers and sisters of between the bars, "Through Barber Wire", Criminal Justice Policy Coalition", "Prisoners Free Book Program", "Los Angeles Catholic Workers -@lacatholicwoekers.org", Emancipation Initiative", and those people who have been a great help on prison reform.

This year we have a pandemic that is killing millions of people around the world. Last week we began our quarantine for a second time since April-4-2020 and between the prison system in Massachusetts we have hundreds of people infected. I am feeling like a floer floated in the ocean waiting for death.

All those people who I have mentioned and those who know me, my loving daughters, granchildren, I want you to know that am motivated in good spirits to tell you -- MERRY CHRISTMAS AND HAPPY NEW YEAR 2021!!

I baptize you with a symbol of the prison leaf that carries my prayers in good faith.

GOD BLESS YOU FOR THE NEW YEAR!!
