

To Black Man -A Poem For You!

The truth of the matter is
There is nothing more beautiful
Than a black man

Whether five-two or six-seven,
Yellow fabulous or chocolate heaven
There is nothing more beautiful
Than a black man

Long and lean
With deep brown eyes
Wavyhairordreds
With strong thick thighs
There is nothing more beautiful
Than a black man

Bald head with goatee
Cornrowsorafade
A little thick, a little thin
Oh the choices to be made
There is nothing more beautiful
Than a black man

Scholarly or not
Wall Street or hip hop
I'll sing your praises
To the mountain top
Head of the home
Provider and love
Obedientsonand loving brother
There's nothing more beautiful
Than a black man

A mighty provider you've proven to be
Sacrificing your life to keep me free
Working for crumbs
When the table is bare
Praising the Lord
Leading the family in prayer
There is nothing more beautiful
Than a black man

Holding my hand
When fear emerges
Remaining faithful, suppressing your urges
Proving your ~~strength~~ strength
