Subject: PAROLE Hearing

December 17,2020

11:05am

My 6th Parole hearing...

2nd 1 this year

Been telling the story all day...

So 4give me if I sum it up

Thanks

After the usual protocol we got down 2 the nitty gritty

Which began with Mrs Pierce saying

"Programs have been completed. Conducts been satisfactory.... N I believe u have served enuff time 4 punishment! So I'm going 2 give U 3-months n a PRI (pre release investigation). That means U'll have a meeting with ur social worker n talk with Ur (parole) agent. Once she approves Ur (release) plan 2 live with Ur aunt then we'll look 2 release u in 3 months!"

Trembling I exclaimed, "U won't regret this!"

Thought 2 give her an air hug but settled on giving her an air hand shake! My 1st one.

Rather than go 2 lunch I opted 2 stay in my cell n give credit 2 God 4 this miracle. He ain't have 2 do this but He chose 2! Amen. Not 4 any good in me or any cake I've baked or whatever. Lord knows I don't always do what I know 2 do, but I'm growing, especially in loving my enemy's! Talk bout hard work. Anyway thanked god 4 helping my unbelief. He told me I was gone get 3-months with a PRI but I ain't believe Him. Seemed 2 good 2 b tru, so I kept thinking "maybe I'll get a 6-month with PRI!"

No way I seen a 5 month decrease! Got used 2 them only taking off a month! But my God assures me He can do exceeding above all that I ask or think! Ephesians 3:20 another verse says, eyes have not den nor ear heard nor has it entered into the heart of man the things God has 4 those who love Him. 1 Corinthians 2:9

Better yet since I fervently prayed on December 12,2020 2 know my exact release date

MARCH 15 been coming 2 me!

What R the odds that because of 2days decision I go back 2 parole in ...

MARCH!?!

So

In all likely hood

I'll b released from prison somewhere between March n April 2021

Still wrapping my head around it

Can't wait

Plan 2 run full speed 2 the gatehouse
See u there!
