Evening

Preciate Ur faithfulness in transcription my written sincerity

Still staying

"Safe n healthy"

Though I did battle Covid

Thank God I survived

Lord knows some could care less if I lived or died

So had 2 confess a scripture

"I will not die,

But live,

N declare the works of the Lord"

Psalms...

N so it is

As God would have it

I'm set 2 make my exodus from Correctional Facility's

4 good

Somewhere between January n the end of April, 2021

Still on cloud 9 after being told

"U have served enuff time 4 punishment..."

Now I'm more focused

N aware of the need 2 stay Spiritually safe n healthy

Praying u the same

Respectfully

Antoine J.
