

Invocation of Goddess and Muses

Goddess Isis Myrionomous,
i call you by a hundred names!
O Queen of Heaven,
give victory to women in the Olympic Games!

Goddess Kali-Durga,
i summon you Black and Unconquerable!
Trample the oppressor enemies
of Black and Trans Women of color!

O Muses of ancient Rome and Greece,
the nine goddesses of artistic inspiration;
Please hear this invocation,
and give me the power of Creation!
