

How can you hate me Part 1

I am so tired of the hatred, strife and Division that is spreading all through our lands America, United Nations and continents. It spreading like cancer from the pulpit to the communities - then to the White House, Congress and Senate. It also to other nations and relationship of all type. Recently I had encountered with a lady who said she is a Evangelist. So we build a relationship with her. We all started to read the bible and pray together. So my sister ~~law~~ in law died living her 11 years old behind right here at Christmas. Then I have two bunkmates from hell. That is constantly causing strife and Division on the hallway. Causing other to mistreat ~~me~~ and talk to me any kind of way. So I am going through a storm. Tired and weary. I am praying. But I need to vent. This lady told me to go pray and that I was gossiping and judging people when I said people can be fake. That night there was a church hunt. Cause what I had to say was not important to her. But when we go to Jesus he listens to us and never rejects me because I have a relationship with. Sometimes we think we have build long lasting relationship with people. But what do they do reject and hurt us. We even think sometimes in a marriage. I love him and he loves me. He or she goes to prison for get all about you

end up with a guard of the same sex because they start fulfilling their needs. You don't even matter no more. They hate you guts because you are no use to them. Reflect back to this woman of God. She stop praying with me and basically accused me of being used by Satan. I speak to her because that is the love of God that is in me. But on her end she treats me like the enemy now. I often think about these men such as on Maury Povich how can you deny your baby. For a mother why are you let their sleeping with more than one man without protection. Do you care about your body and children. The same man or woman you ~~stop~~ ~~stop~~ ~~with~~ supposedly had steamy sex. Say you had a good time but now you hate each other. Does that make sense? Absolutely not. Are a man or woman in prison or jail has a mate on the outside. ~~Supposedly~~ their supposedly be a strong connection between the two. The mate is constantly be in contact with the mate on the outside of prison. The mate even put money and come to visitation saying how much they love their mate. How they are waiting on their mate to get home. But the secretly the mate hate you in prison. In the dark they have become cold in the relationship. Went out in got a new hot to the. She is pregnant just that quick with his baby or he has gotten another woman

pregnant. where is the honesty? I just out
of sight out mind right. There is so much
hate, strife and division does it. Our lands,
dying rapidly as result of the hatred, strife
and division that is result into jail and prison
time but mainly through violence and death.
One Political leader can't stand the rest. I would
do anything to get in a seat of authority. Talking
bad about one another. Ex wives or girl friends
or co-worker spreading false rumors to destroy
the person character who does those seats in U.S
Senate (Goff and Warrick) deserve those seats. I
dislike a spontaneous combination these people
running for office all of certain the ex-want
to come out of me oh he sexual assaulted
~~me~~ or he abuse me in the past. Oh really
why now? Moving a long what had Warrick
done for the people - ears all open. Governor

Division in our government. How can you
@ Hate me? It's amazing how you have those

Bad drug bid went wrong. I want to speak
to Rappers who is putting out this music. Back
in the day when we had LL Cool J, Will Smith,
Tupac Called Quest etc. Nobody was rapping about
the crips, blood, gangster discipline or molly, pills etc.
or drug dealing. Some people was rapping poverty, love
education etc. Some rap about drugs etc, but
it was not graphic as is now. What we putting

is lifeline to our communities. What are you
putting out is Hatred, Strife and Division?

Think about it what is your music causing people to hate, Strife and Division? In our Religious world what are you spreading Hate, Strife and Division? What are you doing in your ministry? Who is cheating on their wife or husband? Who is jealous of the next sister or brother till they hate them. I want to leave you all with some Major profound knowledge that will create a better way of thinking and better environment.

STOP The HATRED, Strife and Division

Do we know the damage it causes?

Please

Don't let nobody church tell you just anything
Romans 16:17 I urge you, brothers or sister to
Watch out for those who cause divisions and put
obstacles in your way that are contrary to the
teaching you have learned. Keep away from
them. For such people are not serving our Lord
Christ, but their own appetites. By smooth talk
and flattery they deceive the minds of naive people

Everyone has heard about your obedience so I am full of joy over you, but I want you to be wise about what is good and innocent about what is evil.

When we read books or listen to sermons, we should check the content of what is written or said and not be fooled by smooth style. Christians who study God's word will not be fooled even though superficial listeners may ~~as~~ easily be taken in. For an ~~example~~ example of believers who carefully checked God's word Acts 17:10-12

As soon as it was night, the brothers sent Paul and Silas away to Berea. On arriving there, they went to the Jewish Synagogue. Now the Bereans were of more noble character than the Thessalonians, for they received the message with eagerness and examined the scriptures every day to see if what Paul said was true.

(Forgiveness for self) Forgiveness of others
ARE Important

Colossians 3:13 Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you - and over all these virtues put on love which binds them all together in perfect Unity

The key to forgiving others is remember how much God has forgiven you. It is difficult for you to forgive someone who has wrong you a little when God has forgiven you so much? Realizing God's infinite love and forgiveness can help you love and forgive others. Let God ~~worry~~ about the wrongs you've suffered. Don't quench your life in bitter feuding; live renewed in love and joy. All the virtues that Paul encourages us to develop are perfectly bound together by love. As we clothe ourselves with these virtues, the ~~last~~ last garment we are to put on is love. Which holds all of the others in place. To practice any list of virtues (~~passion~~ passion, kindness, ~~hum~~ humility, gentleness and patience without practicing love will lead to distortion, fragmentation and stagnation. People should live in peace. To live in peace does not mean that suddenly all difference in opinion are eliminated but it does requires that ~~being~~ People work together despite their differences. Such love is not a feeling, but a decision to meet others' needs. To live in love leads to peace between individuals and among ~~the people~~ the members of the body of believers. Do problems in your relationships with other Christians and people cause open conflicts or mutual silence? Consider what you can do to heal those relationships with love? Can I get deep with you. Anyone claims to be

But hates his ~~be~~ brother is still in the darkness
Whoever loves his brother lives in the light and
there is nothing in him to make him stumble.

But whoever hates his brother is in the darkness
and walks around in the darkness; he does not
know where he is going because the darkness
has blind him.

Does this mean that if you dislike someone
you aren't a Christian or wrong. These verses are
not talking about disliking a disagreeable Christian
brother or sister. There will always be people we
will not like as well as others. John's words focus
on the attitude that causes us to ignore or despise
others, to treat them as irritants, competitors
or enemies. Christians love is not a feeling but
a choice. We can choose to be concerned with people's
well-being and treat them with respect, whether
or not we feel affection toward them. If we
choose to love others, God will help us express our
love.

How can I hate myself? part 2

Everytime I made the wrong choices in life. I would always start hating myself for the foolish choices I made. The unforgiveness toward myself had started long for days, months and decades. I end up becoming bitter with self. Didn't love self. I find myself laying with all type of men who didn't love me. Except for one night stand. I didn't care about my body. I would fight at the drop of dime, cause I was angry because I ~~hated myself~~ hated myself. I didn't feel beautiful. I was ruthless ready to take on the world because the world don't care about me. That is how I ~~feel~~ felt. I turned to opioids, men, fighting, running the streets skipping school. I shoplift in the stores because I felt that I didn't have to pay for nothing. As a youth. As a young adult I was always condemning myself. Beside nobody loved me not even myself. Even some older adults feel the way I was feeling that is why you keep on making the same mistakes in life because you can forgive yourself, you don't give a damn about your self or nobody. That is why it so easy to pull the trigger or to shoot or ~~kill someone~~ kill someone. are rob a store or house. you feel that you went to jail or prison, you will

always be ~~scared~~ ^{scared}. Beside now I am a registered sex offender I hate ~~myself~~ myself and I am ashamed of myself. People will always judge me for the horrible things I've done. I was on drugs and such a terrible alcoholic. I destroyed everything in my life. I can't forgive myself, I just hate myself. My infidelity was so bad I broke up happy homes. I just can't forgive myself. I am straight sex addict I can't control myself. I see slept with a underage now I will be a sex offender for the rest of my life. My dishonesty cause me to loose my job, home, marriage bno I destroyed everything even my children lives. Then this fast money bno feels to good it has landed me with tight rides, cubs and fancy girls but bno I am looking at large bid in the pen. I was the man on the block, I had my boys down with me until a drug deal went bad or a robbery became stink. I am looking at long time in the pen or I spend a long time in the pen for these circumstance. I am out but I feel like a loser and I just hate myself. I am going to get back on the block at least I felt like the man when I was balling. Dang man I thought my album ~~was~~ or song was going to take flight but yo I can't find my flight so I will return back to thuggish lifestyle drugs, guns and gang cause I was the man. I had it going on when I was drug, drug or prostitution hey I am

going back to the old. Whatever happens. I don't
care. And I speaking to some people today. I hope
so. I am have a message for you. Forgive
yourself and change your mindset. Stop being
bitter with self before you find self in the grave
or a prison for a long time or losing everything
you own. Stop condemn self and let Nobody

thoughts and people out of your life. New beginning
beginning is at your door. You must want it.
Rich and poor both need to forgive themselves
forgiveness is for you all as well. Their own
Story of the atonement Money Exodus 30:11-16 the holy
bible The atonement money was like a census
~~tax~~ tax. It continued the principle that all
the people belong to God and therefore needed
to be redeemed by a sacrifice. Whenever a
census took place everyone both rich and poor
was required to pay ~~a~~ a ransom. God does
not discriminate between people. All of us need
money and forgiveness because of our sinful
thoughts and actions. There is no way the
rich person can ~~pay~~ buy off God. and no way
the poor can avoid paying. God's demand
is that all of us come humbly before him
to be forgiven and brought into his family.
Just because you have made wrong choices.

been when you do don't stay down. Just wallow
in regrets. YOU can get back up again. We
win some and lose some. ~~Remember that~~ God forgets
you ever sinned. Admitting that you need forgiveness.
