Mamma Mia! Does Your Mother Know about your true feelings about Abba? I may have to send an S.O.S. to my friend Fernando in Waterloo to let him know you're not feeling like a Super Trouper. Take A Chance On Me when I say that you would be a Dancing Queen in my books if you'd just give Abba another try. I Do, I Do, I Do believe that you're still a winner and we all know that The Winner Takes It All! 😊

Hey, P! I hope you had a wonderful Christmas + New Year! Thank goodness 2020 is over! Let's hope this year improves.

I checked our crappy music service + unfortunately it doesn't have Plastic Bertrand's or I'd put that song on my wish list in honor of you.

Yes, cells with a good TV shot can be sold for a good price in here. It has been especially nice since we are back on a full lockdown now. It is so boring being locked in this cell 24/7! And we were lucky enough to get our sink fixed, fortunately.

Yes, it can be hard to find a good cellmate. It's rough being locked in a cell with someone all the time. I much prefer living alone. At least my cellie is cute!

I also hate moving, but this cell is definitely better than the last. Besides the TV view, the old cell was in a very high traffic area with guys constantly right outside our door (when we weren't locked down), and it was right across from the CO's office. We lucked out getting this cell.

I really enjoy hearing from you + I hope to again. Many blessings to you and your loved ones in 2021!

Best wishes,
