Dear Acurran,

Happy New Year! Thank you so much for your comments! I'm really grateful to hear from you. There were times in the past when I didn't hear from anyone for months + it seemed like no one was reading this. So it really does mean a lot to me when I hear from someone.

We're back on a full lockdown now which is AWFUL, but when we do get out afternoons are much better than mornings. For one thing, mornings are evil, and for another, we get less time out 'cause of that stupid 10A count they have. Ugh.

Thanks also for your good wishes + I hope this is a wonderful year for you! I hope to hear from you again!

Many Blessings,
