Dear Father John,

Howdy!! I really got a laugh out of your comments! I've been wondering if you were still out there + it's great to hear from you again.

I'm so glad you + Dakota finally connected! I don't know what happened - he gets very busy + distracted + I think it got to a point that he felt embarrassed 'cause it took him so long to write.

Dakota is one of the kindest - and goofiest - people I know. He got me both a birthday and Christmas present which was very thoughtful. He's also the gayest straight man I know (he's only attracted to women, but he loves Disney princesses + has a Blossom doll from the Power Puff Girls that he adores).

Be sure to ask him how Blossom is doing! He'll get a kick out of it.

I'm so glad to hear from you + I hope to again! If you don't hear from Dakota by March, please let me know; there've been problems with the mail here + he did say he'd write you soon.
