Dear Singleservice,

Howdy! Thank you so much for your comments! I always get a thrill when I hear from someone new! And it does mean a lot to me when I hear from someone.

If you're a new reader, I'd like to encourage you to read some of my older posts. It's been a long road.

By the way, I like your username!

Take care of yourself, + I hope to hear from you again!

Best Wishes,
