

WHERE DO WE GO FROM HERE ?

How should we respond when we are shown over and over again that, as prisoners, our lives do not matter ??

Being a human being in the United States **should** mean not needing to state that your life matters and not having to convince those in authority, and even your fellow citizens, that your life matters.

If you are a non-incarcerated citizen, **you have power**.

Now is the time to use it !

Believing in or supporting prison reform or criminal justice reform is simply not enough.

Now is the time to be proactive, to demand change, to cause change.

Read, Listen, Volunteer, Donate, Plan, March, Vote, Fight.

Speak out.

Step in.

Step up.

How you use your power is a choice.
