

Insurrection of the Capitol

As I sat and watch this horrific crimes taking place. My heart grew very sad. Because you would think adults wouldn't act like this but I am reminded of the occults and leaders that brainwash people all the time. The leader can say that rock is who you worship. Those weak minded individual would do just that. No offense to anyone who do worship a rock. I wouldn't worship a rock, cause what can that rock do for me. Accept for continue to sit in that same position (still not moving) the same way Trump didn't meet his supporters at the capitol to participate in the riot on the capitol. The same for make America great was nothing but a form of the occult. Trump was brainwashing his supporters with conspiracy theories - that was lies. Such as the election was stolen from him. That he won the election. Making up or spreading false reports was strictly forbidden by God. It should be forbidden by people who says they are ethically inclined to lead also should be forbidden by people who says they adults. For we all know Gossip, Slander and false witnessing would undermine families, strain neighborhood, cooperation, our government and make chaos of the justice system. Destructive gossip still causes problems such as the riot at the capitol. Even though Trump started the lie about the election. Those Republican who stood behind his lie is just as guilty for this riot as Donald Trump is. It's like this Even if you do not initiate a lie, you become responsible if you pass it along. You don't suppose to circulate the rumors or go along with it. You suppose squelch them. Everyone went along with everything that's been said and done by Donald Trump and supporters. If the supporters been charged with ~~crimes~~ crimes facing prison or jail time. Why not Donald Trump and these congressman

not been charged with crimes in sent to prison or jail for promoting violence. Things been out of hand when protester was ~~shot~~ shot and killed. Charlotte Protest Promoting Racism and violence should never happen with no leader in our ~~govern~~ government. I had never heard of no left win and right win - progressive or I did like democrats. If only humility was involved in these leaders and Republicans who was connected to Trump. For some people that is their weakness is gossip and strife. I understand it is hard to refuse to listen to gossip as it is to turn down a delicious desert. Taking ~~just~~ just one morsel of either one created a taste for more. You can resist rumors the same way a determined dieter resists candy - never even open the box. If you don't nibble on the first bite of gossip, you can't take the second and the third. All this could have been prevented if someone had the wisdom to say this is not right. We got to stop Donald Trump from leading these people to think the wrong thing or react on the wrong information. But no because of the lack of humility and ~~and~~ wisdom and a prideful spirit. Donald and his coworkers leadership has turned into disgraced. I am reminded when pride comes, ~~then~~ then comes disgrace but with humility comes wisdom. Everyone went along with Trump has been doing should be on trial as well in charged with a criminal. ~~With how horrible this riot was it's not enough to keep these~~ people out of the political office. Because their going to start another movement that can cause even more destruction to our democracy and government. I am reminded of the story of David and Goliath. I feel that Goliath is Donald Trump, supporters and some of his coworkers has been that Goliath in the American people lives and other nations. I know many people saying who is Goliath? ~~Goliath~~ 1 Samuel 17 Holy bible. Goliath was a giant with an attitude. As a champion of the Philistines, he immobilized an entire army of Israelites by challenging one of them to duel with him. He made them forget they

They had an absolute champion in the land their God. He took a bold shepherd boy named David to remind them all they were the armies of the living God. ~~Who was the~~ Goliath was a problem to be faced on his terms but not with his weapons. Goliath's strengths were so obvious (size, armor, arrogance) that others missed his vulnerability. For ~~then~~ Goliath had a glaring weakness that never occurred to him until David's stone struck him down. When David was given Goliath's kind of weapons, David quickly concluded he couldn't even function - much less fight - with those tools. Goliath's strengths would have been David's handicaps. Armor plating and heavy weapons were of little use to the shepherd boy. David went with the two weapons he knew he could rely on: his trust in God and his shepherd's sling. When others look at Goliath, they saw an opponent too powerful to defeat; when David looked at Goliath, he saw a target too big to miss! David had armor to match Goliath's, but it was invisible. He was spiritually equipped. ~~Esp~~ Ephesians 6:10-18 describes in detail the resources that God places our disposal. How unfortunate that we face our world each day on its terms and too often try to ~~use~~ wield its weapons. God's weapons are not as obvious, but they never fail us! How much of your spiritual armor are you wearing today? There are some men and women that are in the ~~Senate~~ Senate and House that has a relationship with Christ. Are you going to be that David that ~~is~~ going to put Goliath down for good in Trump impeachment trial that begins the week of February 8th, 2021. Let the Lord use you
