Guess they do stories on people who were once incarcerated as well as pieces on celebs!

Quite expensive though!

I'm not gone subscribe

Wouldn't even if I could afford it cause I'm bout 2 leave one of these days!

Thanks 4 the "great idea,good luck!" Regarding my desire 2 put 2gether a book of motivational quotes. Slow n steady. Gotta collect all my original quotes then edit them 4 the ones best fitted 4 the books audience (urban youth n adults,though anyone who buy it will b blessed by it) also thinking up the best parables 2 accompany said lyrics. In due time. Figure I can have it ruff drafted in a years time! God willing as I have no idea how hectic my schedule gone b upon release with work,catching up with family n trying 2 start a bizz,n if it happens a romantic relationship...

NE who when it comes out I'll b sure 2 send U word some kinda way...

Heads up!

Probably get off BTB within a year of my release...

Sure another person in prison desires n needs 2 b blessed by it!!!

Meanwhile once I figure out technology I'll b setting up a Facebook page n a YouTube channel...
