> you can leave this line out as it continues to change but for now its correct

Due to Covid The state is allowing only Video Visits, An approved visiting form signed by me is necessary.

So in order to get approval a potential visitor needs to snail mail me with an address so I can send them the visiting questionnaire (Form) then the signed filled out form is returned to the institution for vetting and either a yes or no by administrations Visiting Sargent Staff

Please for your own protection use snail mail for addresses and phone #s sorry.

as posting may get you unwanted attention
OK then Oh, I can receive pictures, no polaroids blubber
CDCR.gov edor.gov/visit has more info

Thank you
