CALL TO ACTION

02-27-21

OK, y'all. I know this one is gonna be kinda gross for some of you. I apologize. But as gross as it is to hear, think how much worse it is to have to live with this problem for 20 years or more!

I have toenail fungus. I've had it since 2004 when I was arrested. At that time it was only on the big toe of my right foot. I had just begun to treat it with Tea Tree oil when I was arrested & it apparently wasn't enough.

It has since spread to three other toes on that same foot. I don't get out till 2026. That's 22 years that I have to deal with this.

The BOP won't treat nail fungus 'cause it's considered "cosmetic." I'm not the only guy with this problem. I've heard lots of guys complain about having nail fungus, & it can be painful.

What's even more frustrating is that nail fungus can be cured with Tea Tree oil! Check it out. I tried it before many years ago (before the arrest) and Tea Tree oil works.

As far as I know, it's no more toxic than any

2

other oil that they sell here, like "Kush," or "Sandalwood," or any of the fake colognes. You can find those on the back of the Commissary sheet I'm enclosing. The oils are on the back (where you sign), the third group in the left column.

So... why the hell can't we buy Tea Tree oil to cure nail fungus since the BOP refuses to treat it?!

This dumbass prison doesn't even sell emory boards - which they sold at hard-assed Hell Reno - so you can at least trim your nails.

So fucking stupid.

Please contact Director ~~Carvajal~~ Carvajal at BOP, GOV and/or your Representative and Senators and ask them to allow us to buy tea tree oil so we can treat nail fungus instead of being forced to live with this for 20 years or more!

Please do not mention my name + especially do not add a link to my blog! I will be retaliated against!

Thanks!
