

HELP NEEDED

Hello World,

Our long and tireless efforts to bring positive and constructive content to California's Prison Media Center at San Quentin State Prison has been met with yet another challenging demand for the LGBTQIAT program.

The Department Now requires that All content be formatted with displayed captions/subtitles. Our content is voluminous, and we need your help now. If you are someone who is able to add captions to our vast content, we so need you ASAP.

Please leave us a comment below if you, or someone you know can provide a volunteer donation of captions of our content, and we will respond by providing you a cloud link where you can have direct access to our content for you to begin the captioning content donations.

Thank you for your attention
