Thank you "dariennev" for your comments and transcription work.
If you want to get more involved with prison reform, may I suggest you start by checking into (and possibly getting involved with) Citizens United for the Rehabilitation of Errants, commonly referred to simply as "CURE".

You can visit CURE's website at www.curenational.org or reach out to them by e-mail at: cure@curenational.org.

There are lots of great organizations, but CURE would be a great place to start.
