i can parole in having a place
to parole to, can anyone help
me with housing it will be
greatly appreciated, i will be
doing the same thing on parole
that i am doing now which
is staying involved as best
i can in grassroots
antiracism activism, this
is as far as i have planned
but in some how not doing
this that will be breach

of this social contract in
which case i would not look
for any support, what i am
looking for is long term
housing for myself to
parole to, i am a movement
person my life is the
struggle.
