Subject: My 3rd Birthday!!!

I can only praise God!  
He my lawyer in the courtroom  
N one who represented me at all my Parole Hearing

So I thank God that its over!

I officially got Paroled!!

My last day of incarceration will B...

APRIL 13,2021

I will officially have served  
...23yrs 7 months n 6 days

I thank God 4 my early release...  
Lord knows they could a held me all the way until September 12,2072!!!  
So despite the joke bout jailhouse Christian  
I know God is real  
This is just another personal experience 2 remind me  
...

Now its on me  
2 keep my vows!  
Knowing 2 that slip ups on my part,don't mean God ain't real  
Just mean I have 2 grow up in that particular area of my life  
Right now the biggest thing is  
Surrendering my love life!  
(Yeah that's part of giving ur life 2 God!?!)  
God has some woman in mind He want 2 walk down the aisle  
But  
I also have MY own idea of who I want 2 b the one!?!  
Like now,as far fetched as it may b I'm crushing on a certain celebrity!  
She Single N Looking!!!  
N she my age!!!  
What R the odds?  
B lying if I told u I wasn't gone least attempt 2 throw my hat in the race!!!  
Just saying!

I digress..

Back on track

Hold in my heart the thing the Parole Chairman, who gives the final approval...

"Mr Murphy,...It is this Chair's sincere hope and expectation for you that, as you return to the community for the first time since you were a teenager, you live the remainder of your life in honor of those whose lives you have impacted."

"... You have demonstrated sufficient efforts for rehabilitation and earned your return to the community."
