KILLER AND MURDERING COP'S

PART ONE

Tagline : ' When Doe's a killer becomes a murderer ??? , and particularly , A Killer cop .
becomes a murderer ???

1.) For those who are DISenfranchized , there is really no DIFFERENCE between the two.
The psychological and cultural

debt of the American society , in regards to cop's killing/murdering black Folks "CAN NEVER
BE TOLLED " AND ANY ONE ,

WHO CLAIMS IT CAN BE TOLLED, BE THEY WHITE OR CONFUSED NEGRO (WHO
MENTALLY CAN NOT GROW) , are to

be ignored as unstable. Any Troglodytes who challenge this position , I say to
them , I'll consider your argument once

you make a convincing argument that those of the Jewish heritage should toll the crimes
of the third reign ; and for

America to toll the the terrorism of Al Qaeda ; For the Ma'aafa * of Black Folks
here in america is with in the same frame.

2.) The murderer and their support's ,coconspirators , family , friends and love one's will always
try to soft touch the killing/

murder act. But history ,and time can expose the strange Fruit that they seek to hide .

3.) The " MURDER " of George Floyd will not change nothing until real consequences are felt ,and dealt to those committing

the crimes. This trial that is going on , is for Floyd's family and Love one's , let them have that , for me as a black man , and

A black father, Uncle and teacher / leader , justice can never be served in a court room , because it will not deter other Killer/

Murdering cop's from continuing their "Ma'aafa ".

4.) I have not watch much of this trial , and really had not made a determination at all , my interest lied in other legal affairs

that I had not really thought much for it , but like everyone els, you are constantly seeing , hearing everyone and all TV

discussing it to not take a peek here and there . So I turned to court TV. to tune in like others and upon others asking me if

I'd been following it.

5.) my first day tuning in I hear the defense use the common and usual Black coded defense, He was A Big Nigger (Black

-Man) but they meant Nigger, He was on Drugs , or appeared to be on them , I was scared for my insignificant life , etc.

6.) Then they go into the common domestic violence Justification , " of he made me kill him by not submitting to me , (I , the

--white master, when I tell a nigger to submit they must do so , what was he thinking ,) ; this is the way they really think.

" If he just listened to me , it would not have happen." " He was resisting , Combative , I had no other choice but to slay

him " , " I had no other choice but to use force , it was either his life or mine " But did you have to use that amount of

force ??? . " at that time I thought I had too. "

7.) You know , just like , when you hit the kid with your car and kill him and tell the jury , hey , he was in the middle of the

street, and I didn't want to wreck my new car swirling in to a park car to save his ghetto ass life . I had the right away .

or the Abuser boyfriend or husband , who claim , " you made me beat you , you talk back to me , you don't obey me , you

don't have my food ready when I get home at night , etc, etc. " . and just like the Brained washed Wife /girlfriend , do

black people keep accepting these (for lack of a more Power point word , w/out being uncouth ,) Stockholm syndrome

excuses or rationalizations ,;

8.) Not only do they have most people trained to continue to except this battered wife syndrome mentality, but they even got

those who suppose to be defending the [people or the cause , trained to the degree , that they train you to not only to accept

abuse, but they let the enemy dictate the rules of war , of where , when , who , and how it is , people should fight their

misanthropic terrorism , and most dangerous of all , they got people sickly conditioned to not even viewing these crimes

as terrorism but only " use of force cases, ". the same way the battered wife /girlfriend is conditioned , and indeed

even the abuser sometimes , conditioned by others or himself to think their crazy is somehow normal and a genuine form

♪

of Love.

9.) If they were not training you to be defeated , they would be telling you to defend your humanity and by the laws of

humanity, which dictate , that you do what is " necessary to stop the whole sell murder of you family / friends , and

L♥ve ones .etc. "

10.) The LAW of Humanity, called the "" LAW Of NECESSITATE ", WHICH , IS EVEN ACCEPTED IN THE UNITED STATES AS

VINDICATION RIGHT , ALLOW YOU TO DO THINGS THAT WOULD BE UNLAWFUL PER THE GOVERNMENTS RULES /LAWS

IN THE HAST TO PROTECT YOURSELF AND TO DEFEND OTHERS . MEANING , THOSE WHO TOOK THE STAND TODAY,

CRYING ABOUT HOW They WISH THEY COULD HAVE HELPED GEORGE FLOYD , COULD HAVE AND SHOULD HAVE , BY

THE LAWS OF HUMANITY , WHICH ARE GREATER THEN THE LAWS OF ANYONE PARTICULAR STATE.

AND THIS IS A UNIVERSAL FACT THAT EVEN THE OPPRESSORS ACKNOWLEDGE THIS IN PRINT ,THOUGH NOT IN DEEDS

and in action

11.) And though we know there is a good brother on deathrow right now in Philly for using and applying the LAW of humanity

to a very similar set of circumstances, when a abusive cop had his brother down on the ground and he came around

and ended both the abuse and the abuser's life. sacrifices must be made and had , when you are fighting war and indeed,

this is a war ,even if the oppressor is the only one that see ,because they are the engineers.

12.) I said it once before and I will say it again , for me it Black Lives Matter .

So Until this pen weeps again , Stayf♠cus , and Stay LO♥️™. I strive and I struggle .
