" AND THE SUN CAN SHINE IN THE NIGHT."

-----©\®™

Who among the most enlightened , claim that the Sun don't shine
at night !

Fore , I have seen it once or twice in the eye's of a beautiful Lady

.

Her ray's a bountiful delight to my eye's ; Her smile a warming
harbor for mooring in the...

Storm that we call this here life. an intoxication that is
pleasing and safe , and refreshing,
and resting .

I saw the Sun last night . and it was a beautiful delight.

romance that Romeo and Juliet
In those eye's I could see a future , staring back was a
could feel , and shakespeare could reveal.

I Saw the Sun last night.

want to see it again and again.
go beyond the shallow ,
I Saw the Sun last Night and the night is not over , and I
like a Jinny in the mist , I have a 100 million wish , and they

and affable , jazzible flashible kiss. How deep is this ...

a Sun last night.

we stand ,
know to be true.
Put a clue in the spinning Moon , then I would know were
for my investment and interest is true and bearing. tis I

like a falcon cresting the clear Blue sky ,, , My Vision Soar

with agenda ...

like the Sun at night , because I saw a sun last night !
