You sent a comment which stated I Love You god loves you, and i do appreciate the love, and you sent that love at a time when i need it the most. I've been battling CANCER stage 3 since the end of 2020, and my fight continues. This is a fight that i will win because i believe in me, and life so i fight harder to be better so i can survive for all those who do love me.....

I do ask this question if you don't mind? Do i know you because your family or someone i've cross over the years? I only ask because the small but powerful message you sent held weight, and it really touch me at a time when i needed that the most.....

(WELL I SAY I LOVE YOU GOD LOVES YOU AS WELL)

Well if you decide to tell me who you are that will be cool if not its cool with me also because thats your right, just know i'm good, and getting better everyday, and before you know it i'll be back to being my funny self full of flaws, and wisdom willing to change that of which i don't like, and strengthen the wisdom i do have so that i can be able to give that wisdom to anyone who seek the JEWELS that live within my steady growing mind.....
