

Wisdom!, It's Will

Older now use, young upon the page wise
As Wisdom's words ~~stereotypical~~ ;
Awesome as poet's hypothetical
Writ Love's words, for all intent undisguised
Betrays no confidence - loyal gives rise
As one told stern: "you stand great potential"
Related of most uncontroversial
New-use in old fashion compromises
No undermining of act's & Deed's Field;
Fruits from labor of Love bears no boredom
Until the Kingdom Come - as it relates
To me and poetry envast & chief;
Stern in willing words, the will of Wisdom
Until the Kingdom Comes, Sonnets love-Pate - 3/22/21
