Dear Dmorga,

Howdy! Thank you so much for your comments!
Yes, I am now fully vaccinated and this whole unit has received at least one vaccination, except for six guys who refused. Hopefully they'll be moved elsewhere.

Unfortunately, we are still under a full lockdown/quarantine due to COVID exposure. I am hoping that by the time you read this, we'll be back to at least a modified lockdown so we can spend some time out of our cells. < fingers crossed >

It has been hard to deal with all this and to stay sane. I get by by reading a lot.

I am so grateful to hear from you! I really hope to hear from you again!

Many blessings to you + your loved ones!

Best wishes,
