

What music are you Inspired by Today?

I am inspired by the ~~co~~ album Freedom by Justin Bieber. The whole album speaks tremendous volumes in my life of where I am. One of the song called Where do I fit in. No matter which way I turn I don't fit in. I don't to be what people want me to be. So am persecuted heavily. This song put me into tear because Tori Kelly, Justin Bieber, Chandler Moore and Judah Smith is ministering to me. I encourage everyone to go out and buy this album. Listening to ~~the~~ whole album - the words are powerful in all the song. But Where Do I fit in- is the season song.
