Hey bro!

Glad you posted! Had me worried for a minute. Sorry to hear about you being broke lately. I definitely hear you. Thanks for the birthday wishes. Right back at ya!

I've been trying to call that number but it gets refused each time. I am trying the call at my own expense if that's the issue. It shouldn't cost you anything but you still have to accept the call.

One quick way of sending a postcard is to use [ameelio.org](http://ameelio.org). They have a free program to send postcards to those incarcerated. You can include a message and a photo. They still have Zoom visits setup here and won't allow physical visiting until July 6. Using Zoom could be one way for us to talk but I'd have to get you on my visitor's list. Let me know if you want me to send you a form.

Did you get all your stimulus payments (including the one from the tribe)? I don't know if the tribe did a second one but it might be something worth looking into. I guess Social Services is handling it.

My release will be July 27. I'll probably end up back in the TLP. I look forward to hearing from/seeing you again. Much love bro!

Tony
