Dear Rita,

I just got the letter from BTB today. Oh Rita, I am so very sorry to hear about George. I know how much he meant to you and you worked so hard to help him get released. The prison system is so screwed up and unfair that he tried for years with no success to get parole. My heart is breaking for you. I will write you a letter and send it via regular mail.

Please know that my thoughts are with you. I send you many hugs. This is so awful.

Much love,

kelly
