Every time someone says "It's personal,"

A PUPPY DIES! Don't be a puppy-

killer!

So, is August 31st designated "Pull-your-troops-out-of-whatever-country Day"?

Obama pulled the troops out of Iraq on 8/31 (don't remember what year).

Now, Biden pulls the troops out of Afghanistan on 8/31/21.

What is their obsession with Aug. 31st?
