Never Quit - Islamic beliefs

There are so many troubles in our ~~the~~ world today. We got to take our focus off the bad. Continue to do good for others, keep ourselves encouraged and knowing that something will change. Sometimes it can get dismaying or make you feel weary wanting to give up. This is a word for all Islamic under the sound ~~of~~ of my voice.

It is difficult to be patient but ~~to~~ to waste the rewards for patience is worse. Abu Bakr(r.a)

Never Quit - Christianity / Jewish believers / Catholics

There are so many troubles in our world today. We got to take our ~~bad~~ focus off the bad. Continue to do good for others, keep ourselves encouraged and knowing that something will change. Sometimes it can get discouraging or make you feel weary wanting to give up. This ~~is~~ is a word all Christians in this season Gal 6:9 let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Verily after hardship comes ease.

To my sister and brothers that are fleeing from war,
violence (refugee and immigrants)

I know sometimes what you see and what is happening makes you sad
and make you want to just give up. It's seems like you cannot escape
trouble. Seems like nobody understand. Allah understand or God understand,
whosever your higher power is. He can help you he is only a prayer away. Can
I encourage you. Isaiah 40:28 Do you not know? Have you not heard?
The Lord is the everlasting God, the Creator of the ends of the earth. He will not
grow tired or weary, and his understanding no one can fathom. He gives strength
to the weary and increases the power of the weak. Even youths grow tired and
weary and young men stumble and fall but those who hope in the Lord will renew
their strength. They will soar on wings like eagles they will run and not grow
weary, they will walk and not be faint. Verily after hardship comes ease.
I love you all. you are in my prayers
