

I am at a pool of ~~big~~ desperation  
feel like I am drowning

I don't know who I am talking to. Somebody feel like they can barely make it. They head is barely above the waters of trouble on every side. You can't talk to people cause ~~to~~ you feel they will tell you business. Beside people have betrayed you over and over. Nobody knows you are depressed and been crying because you need help. You feel like God don't hear you. He says to tell you that is not true he does. psalm 121 Look up to the hills, where does my help comes from the lord. He is the maker ~~of~~ of heaven and earth. He won't let your foot slip. He who watches over you won't get tired. In fact, he who watches over Israel won't get tired ~~or~~ or go to sleep. The lord watches over you. The Lord is like a shade tree at your right hand. The sun won't harm you during the day. The moon won't harm you during the night. The lord will keep you from every kind of harm. He will watch over your life. The lord will watch over your life no matter where you go both now and forever. 1 Peter 5:7 turn all your worries over to him. He cares about you. Be encouraged. I will be praying for you.
