" UPDATE DAY 18 OF THE HUNGER STRIKE "
OVER FIRST AMENDMENT RETALIATION

Well today is Wednesday October 20,2021 day 18 of this hunger strike. I seen the nurse this morning and my weight is 203 pounds. I've lost 35 pounds in 18 days. My bp 101/75 heart rate 93 bs 71. So all of that is still pretty good. But yes 35 pounds in 18 day's. That's a big weight drop in less than three weeks. Well my suspicions were confirmed. I now know why the Leon county sheriff's office is helping cover up that prostitutes death. Where Lt Christian Carter murdered that girl with his prescription drugs. Well Sheriff Walter McNeil use to be the Secretary of the FDOC. So he's helping keep the lid on this. Because like all FDOC official's an inmates life has no value. And they just consider her to be another inmate since she was probably in and out of jail for prostitution. This is the corrupt world of the FDOC. And this is why they retaliated against me and my family because I want keep my mouth shut. This is a Dept that needs overhauling. And I'm not going to quit until they kill me or I see change. God bless you all.

In Peace and love Ronnie
