" UPDATE DAY 24 OF THE HUNGER STRIKE "
OVER FIRST AMENDMENT RETALIATION

Well today is day 24 and I'm bringing it to an end. I had been pushing myself one day at a time. The past week I had been having a lot of abdominal pains. I know I'm not taking in as much water as I should. My goal was not to get this administration to do anything. My goal was to bring attention to what they did and hoping Mark Inch would look at it and correct it. But the FDOC is so corrupt it looks like the corruption rubbed right off on to him. I dropped 40 pounds in these 24 days. I already know its going to be a struggle trying to eat when I do. I want to thank everyone out there for your prayers and support. I haven't give up on trying to correct this injustice or changing the FDOC. I just need to rest for a bit and find another angle of attack. But I do appreciate all of your support. Thank you! God bless you all.

In Peace and love Ronnie
