

MISSOURI LOVE LOVING: SONNET

See ^{"v."} & ^{"n."} to get her in — love as Art!
Like ^{"v."} more Love Hours than can ever
Be repaired; or RE:pressed against the heart
*^{"v."} Until the Kingdom Comes; if ever...
2nd fractioned moon of a last
And chilly seasons offers in — door
Cozying / warmth, 2 — gather at last!,
Missouri's Ozark cabins aren't a bore:
9th line, Love is penning the popular line
Then knitting the 10th 2 — question alone?
The Sonnet has cum, 2 make & define:
'Arrested Liberation' be/for: w/out, I'm lone!
Bleeding hearts RE: Tell us of love as love's
'More Love Hours than can ever' ends love — 11/6/08
