COURTS OF AMENDS

While reading (scripture) I came across the idea of (court of amends). Wherein individual's that had committed offenses against society were made to make **amends** for the wrongs that they had committed. as opposed to, RETRIBUTIVE, PUNATIVE court's that, CONDEMN, instead of heal. see, Exodus 22:16-17; Deuteronomy 22:28-29. But, if the young woman refuses him, which she may do. Must still make **amends** to both, her and her family.

Many American Indian tribes subscribe to **amends**. instead of **Retribution** and, **Condemnation**. Neither of which actually deliver the perpetrator. nor, make thing's right with the victom or their families. African tribes to had this **ameliorative** way of life when dealing with offenses.

From somewhere, the idea of PUNISHMENT was hatched into the minds of men. However, it was not from the **Great Spirit** that men knew from the beginning. and, based on what we are able to conclude from scripture, the **punative, condemning** penalty is from the **fallen angels**. The **accuser's**. see, Revelation 12:10. Better known as **The adversary**. see Lamentations 1:10; 1 Peter 5:8. Hence, **retribution** for offenses, is from the **Devil**. So, is **Condemnation**. This is supported by the fact that, **Our Father (YHWH)** seeks our **SALVATION**. not, our **condemnation!**

When the **TORAH** is misunderstood, we misthink that, 'with all of the stoning's that took place. There is no **amends** with this **G'd. (YHWH)!** However, we misunderstand what our dear bother Paul, through the spirit knew, "the doing's and teaching's of the **torah** were and are for our learning." see, **Romans 15:4**. to show us the deadliness of sin. So that, today, we may, just as they did, use those scriptures to view sin and it's effects/affects. This is so that, we do not have to travel those paths today. (stoning). It seems cruel, but it is not. that, lives were lost, to save us! and, we must remember, 'death does not have the same finality with (YHWH) as it seems to with us.' (YHWH) is able to raise the daed. and that, unto "life everlasting!" see, **John 6:47**.

Scripture further tell us that, (YHWH) seeks to have his **name** known all over this planet. see, **Exodus 9:16**. Now that we know that (YHWH) who is opposed by the **Devil**, seeks to have His name known accros the planet. This is why the enemy seeks to distort His name. and, render it incorrectly. (YHWH) has declared that "there is no other name whereby men shall be saved." see, **Act. 4:12**. and believe Me, they did not call Him **jesus**. nor, **god**. His nmae is (YHWH) in the hebrew tounge. some names are not translatable. His son's nmae is (YHWH-Shua.) see, **Exodus 23:21** Holding:

"do not provoke Him, Obey Him
for He has My name in Him."

Regarding His Son! That is, the one who ultimately gave His (given life) for us. see, Hebrews 10:5-7. "For (YHWH) so loved the world that He gave His only begotten son." see, John 3:16-21.

Look in your scripture (book) and see, there is no reference to a name Jesus, anywhere in the TORAH? The angels did not impart that name to marriam? and, the letter "J" is only a little over 500 year's old. So, where does the name (jesus) come from? How did it get supplanted in the scriptures of today?

(YHWH-SHUA), taught His disciples to not give heed to the TRADITIONS of men. Yet, here we are today, calling Him (jesus) from tradition. We are not like the Bereans, of (ACTS) who scoured the scriptures to prove every word of the Apostles. see Acts.17:10-15. We don't do that today!? We believe the falsehood that, the angeles brought us the name (jesus) from on high?! They did not! Who has us calling on this name!?! or, better said "what!" "well, My moma, grandmoma and, everyone I know calls that name. So, I do." Yet, there is not legitimate scriptural support for it??? That's what a "tradition" is. Something you're doing because you've been taught it by someone you love over the year's. Like, Birthday parties, Christmas, Easter, Thanksgiving, Voodoo, Abortion, washing your hands before you eat, ect. Just stuff you got taught. Some of it you may see the need for. But, others have no value. Essentially, you've been taugh a bunch of pagan practices. Compared with the TORAH.

I hope that the foregoing has, at the least, caused you to wonder and search the scriptures to find truth. So that, you know that what you're teaching your loved-ones, is true.
