

don't just a few questions.

let me go BACK in time so you can better understand this question, I married ERIC's mom CHERILYN in 1980, it was prior to this I realized she was a freak, YES a slut but I fell in love with her in this I thought marrying her it change her but didn't... in the 80's we divorced but CHERILYN met & married a man named DOY TUCKER, during my trial in Houston he adopted ERIC ROYCE ALEXANDER HIS LAST NAME CHANGED to TUCKER...

IN 98 CHERILYN & ERIC WERE LIVING IN CHARLETSVILLE, GA... SHE LAUGHT DOY IN BED WITH HER friend divorced, all the time ERIC IS STILL TUCKER CHERILYN REMARRIED to a man named VAUGHAN....

Y2K BECAME IN 2000, I WAS ON TX deathrow 1988 AT ELLIS ONE UNIT, WE GOT MOVED to the CHARLES T TERRELL Unit in LIVINGSTON TX, all this time I tried to have friends not family which I didn't have they do find ERIC BEING the internet BECAUSE OR they had a site called MYSPACE.COM WERE SOME FRIENDS I WAS WRITING had located ERIC, he was still only 18 living at home... but WAS ALLOWED to BE on a computer... it WASN'T successful at 1st... SHE CHERILYN typed me a 9 page letter before we left ellis as I was a then called ALLEN B. POLINSKY SHE told me things I didn't know about ERIC, his step father DOY TUCKER so on...

She still has control of ERIC, YES he just

turned 39 years old this year in 2021, She still controls his every move, Why?

Right before Cherylyn divorced day tucker Eric asked him, who was it that cheated? why? day told him it was him who cheated so Eric disowned him, having nothing to do with him period, now Cherylyn was told this, she was one day doing her family tree input on the computer Eric was standing behind her asked who's this... Cherylyn said that's your biological father, Eric says I want to see him... Cherylyn of course made excuses to me & Eric til nothing happened this was in 2012... Eric knows I'm in a prison but for some reason wasn't reach out to me why? Cherylyn has such a mental hold on Eric he doesn't dare contact me, even at age 39? he was 2 yrs old last time I held & told him I loved him?

Eric isn't reaching out, plus see he was a few kids I was told even shown a few pictures of him & his wife in a hospo bed with who else Cherylyn, see back when they lived in Houston Cherylyn's father in-law of day's called her told her some man is driving around asking for Eric it was Cherylyn who got scared thought it was me packed up & got Eric out of school moved to Georgia? Eric

was still young then But I was in Jail not
on this charge but it wasn't me, SEE Cherilyn
told me this all in the typed letter... I had
Caught cherilyn in bed NUMEROUS TIMES EVEN
BEFORE WE MARRIED, Cherilyn was a nympho
maniac... SHE LOVED SEX... it was what got
us together on my 21st Birthday we went to
Gilles in Pasadena TX she was 17, 4 YEARS
YOUNGER but she was a Red-Head, GERMAN
DESCENT... it was only her + her MOM +
BROTHER...

Roger Allstott still lives in the
Houston AREA, he is the key you find
him you can find cherilyn?

cherilyn just had a Baby Girl
of course a Redhead EMMA I think is her
NAME?

1983 1991
my mom + dad gone... but I BELIEVE
cherilyn mom MELVA McIntyre PASSED I don't
know the date?

you can BELIEVE ERIC + Cherilyn
still live in CARTERSVILLE, GA ERIC
has to be on-line some where, I'm getting
on numerous pen pal sites just in case
we might SEE ME... and CONTACTS ME
But still his MOM has control... it's
sad really SHE IS SCARED HE'LL ASK
ME WHO CHEATED... this is why SHE won't
let ME SEE OR TALK to him, SHE'LL TAKE
it to her GRAVE?

I might have 2 or more Grand

OVER-

Its Sad but Reality, SHE KNOWS I'M NOT ON DEATH ROW ANY MORE IN 2012 I WAS GIVEN A 2ND CHANCE, IN 2015 I SIGNED FOR 2-CAPITAL LIVES.... I'M 62 NOW I WAS 24 LAST TIME I SEEN ERIC....

TELL ME IF YOU HAVE ANY LUCK IN FINDING ERIC TUCKER, TELL HIM I LOVE HIM... AND HE IS STILL MY LITTLE BOY....

Till then... HAVE A JOYOUS DAY + STAY SAFE ...

PEACE
