

Tx death row polunsky unit hunger strike

Days 5-7: Friday day 5 the property officer came in early gave everyone their commissary back that warden rigsby instructed her to take on tuesday Jan.4th. so from jan.4-7th the men hunger striking had no food in cell - all refused meals.

Saturday they gave each man a keto piss test to check the vitamin levels - verify if they were not actually eating.

Today sunday jan.9th uneventful - we got showers for the first time on sunday in a month! after having showers mon,wed.friday - for the first time in 3 weeks!

The hunger strike continues.
