

Is the sentence appropriate?
Mr. Roddie Bryan

Hello, I believe in fairness. But also believe in speaking the truth. I watch the McMichael's whole trial. Yes they received the appropriate sentence the McMichael's for Ahmaud Arbery's death. Nothing can replace the pain when your child was murdered unjustly. I can relate to Mrs. Wanda Cooper, pain concerning her child. 2016 my cousin was gassed down unmercifully.

But we got to revisit this situation. I am African American. Because it was on my heart to speak out. Three days after the sentencing the lord woke me up. He said you got to say something on Mr. Roddie Bryan behalf. This man question was this night and even recorded everything that happened in turn it over to his attorney. Georgia How is it this man has life with the possibility of parole. Mrs. Wanda Cooper your family has to rethink about Mr. Bryan. He was not even in on the murder and that is a lie he didn't taunt with his car. I seen remorse in eyes for just being there. But the truth of the matter the video what solve your sons murder. I don't believe that Mr. Bryan should have set one day in a cell. You're wrong. Forget his color. This is a human being. He should have not been tried with the McMichaels. I really desire his freedom.

Now who should have been tried with the McMichael's was Jackie Johnson and assistant who help the McMichael's get away with murder. These are the ones deserving of that life sentence. Jackie Johnson district attorney only
